EAACI Allergy School 2025

27 – 29 August 2025

Hong Kong

Invitation

On behalf of the **European Academy of Allergy & Clinical Immunology (EAACI)** and **Hong Kong Institute of Allergy (HKIA)**, it is our immense pleasure to extend a warm welcome to each of you as we gather for a groundbreaking milestone in allergy education and global collaboration - the inaugural **EAACI Hong Kong Allergy School 2025**.

This year marks a historic moment as we proudly host this **first-ever EAACI flagship event outside Europe**—right here in **Hong Kong, Asia's World City**, a dynamic crossroads of culture, innovation, and global connectivity. Nestled at the gateway between Asia and the rest of the world, Hong Kong offers the perfect backdrop for this pioneering partnership between EAACI and China. Together, we unite Eastern and Western expertise under the theme **“East Meets West”**, fostering a transformative dialogue that bridges continents. Our distinguished international faculty—renowned experts from across the globe—will share cutting-edge insights spanning the full spectrum of allergy and clinical immunology.

Designed to be inclusive and interdisciplinary, the programme also features an additional **dedicated Chinese track** for our Chinese-speaking colleagues, ensuring accessibility while celebrating the diversity of our global community. We expect to attract about 300 – 400 clinicians and researchers to attend the meeting onsite.

Your presence will elevate this celebration of collaboration, innovation, and shared knowledge. Let us bridge ideas, inspire breakthroughs, and shape the future of allergy science and practice—*together*.

Different levels of sponsorship involvement are outlined in this prospectus. Your support will position your company in the forefront of the field.

We sincerely hope that you will sponsor us!

With great enthusiasm and anticipation,

Chairpersons, EAACI Hong Kong Allergy School 2025

Dr. Philip Li
Local Organizing Committee Chair

Dr. Mohamed Shamji
EAACI Secretary General

Dr. Maria Torres
EAACI President
